**What are the risks?**

- The value of the fund and the income from it may go down as well as up, so you may get back less than you invested
- Past performance cannot be relied upon as a guide to future performance
- The annual management charge is charged to capital, so the income of the fund may be higher but capital growth may be restricted or capital may be eroded
- The fund will be invested in a concentrated portfolio of securities – the fund is not restricted by reference to any geographical region, sector or market capitalisation
- The fund may invest in other transferable securities, money market instruments, warrants, collective investment schemes and deposits
- The fund may invest in overseas securities and be exposed to currencies other than pound sterling

**Important information**

Before investing, you should read the Key Investor Information Document (KIID) for the fund, and the Prospectus which, along with our terms and conditions, can be obtained from the downloads page or from our registered office. If you have a financial adviser, you should seek their advice before investing. Woodford Investment Management Ltd is not authorised to provide investment advice.
